SECOND HAND UNIFORM

is doing really well, we will be selling items after school on 28th Sept, 12th Oct & 9th Nov. Please continue to drop items off at school which can then be sold, and proceeds used to benefit the children.

DISCO TICKETS the price of tickets to school discos will have to be raised to £3, with no discount being offered for purchasing in advance. We would however, ask that you continue to purchase your tickets ahead of the event as this helps with our catering, as we purchase supplies and freeze the ice pops ahead of the date.

Next Meeting - 10th November at 7.15pm in School Hall - Please join us, all ideas welcome
